Happy Easter!

Are you confused? Here it is July, and it seems as though we are celebrating Christmas by the way the sanctuary is decorated. Yet our songs that we sing are all to Easter tunes. Just what is going on here?

I believe we create the same amount of confusion when we say that we are "Christ Followers," and then give someone a "not-so-nice" gesture when they cut us off on the highway. Today, we listen as Jesus shares what "Authentic Christianity" is all about.

We are so blessed by your presence and thank you for choosing to join us in our worship experience. So, lay your cares, worries, and frets aside and prepare to enter His Kingdom with much praise and adoration!

May God bless us as we worship together in His Holy Temple!
