JULY 25, 2010

When you think about it, there are some things that we take through our entire lives. Take our hearts, for example. Unless you've received a transplant, the heart you now have is the very one with which you were born. Today, we discover how necessary it is for each of us to use our own hearts as we strive to bring glory to our Lord.

We are so blessed by your presence and thank you for choosing to join us in our worship experience. So, lay your cares, worries, and frets aside and prepare to enter His Kingdom with much praise and adoration!

May God bless us as we worship together in His Holy Temple!

GALACTIC BLAST-VBS
a HUGE SUCCESS !!!!

Thank you to everyone who helped in any way to provide a very special week for 80+ children. Enjoy this morning's 11am service as we culminate the week with a very special worship service.

I would also like to thank everyone for supporting the "THAT'S MY PAN" fundraiser for VBS expenses. So many people made purchases and took orders from family and friends giving us a profit of \$954.80! The Mt Nittany church family is AMAZING. God Bless You!
