**MT. NITTANY UNITED METHODIST CHURCH**  
**MAY 2, 2010**

We are blessed by your presence here! Welcome to this time of worship.

Today we begin our discussion on living into the future. Those disciples who witnessed the crucifixion of Christ also bore witness to the resurrection and it forever changed their lives.

As we journeyed together through Lent, we discussed how we establish or repair relationships using the analogy of bridge building. Now, the bridge has been built and we must cross over it into the world that Christ has designed just for us. Our first step in that journey is a belief of what has been shared in scripture and by common experience is indeed true and able to guide and direct us through life.

**May God bless us as we worship together in His Holy Temple!**

### MISSION FOCUS: Mental Health Awareness

The United Methodist General Conference resolutions on mental illness issues emphasize the importance of achieving parity between health care for mental illnesses and health care for any other condition. The mission is to bring all persons into a community of love as is central to the teachings of Christ. Mission offerings today will be used through the United Methodist General Conference for mental health awareness and education. Our Mt Nittany UMC goal for this offering is only \$1.00 per member.
