We are blessed by your presence here! Welcome to this time of worship.

Today we celebrate new beginnings in faith as we welcome our confirmands and new members into our family. Pentecost is known as the "Birthday of the Church," the day Peter rebuked the many for foolishly refusing to acknowledge the miracle of unity which took place before their very eyes.

We too refuse to correct others when they speak foolishly about the happenings of God. The question for us today is, "Will we remain silent or speak out like Peter?"

**May God bless us as we worship together in His Holy Temple!**
